THE OHIO PROHIBITION VOTE: The constitution of Olso requires that a maty of all the votes thrown at any electron on, shall be necessary to carry such amon was 708,325. A majority of this vote would

eratic countles in which the large entire are ded against it a majority of on cible majorities. It cannot be questioned hat this great vote for probabilities, in an electron only second in the number of votes ever car in

nant must originate in the legisla ure gislafus will adbink such amendment it

all be a loss to the cause of practicable reletton in that it postpones measures waich ontrol Ohio would spatain a stringent nigh probable that Ohio will for de the liquor traffic thrive a the the part of those who nught to unite to turb abte things. It seems strange enough that respiring bonds and by other methods of

on, making supe of and helding this pression, instead of throwing away a vantage ground and giving the life through opportu-nity to have it in an opportunity of the radical prohibitionists are found of instituting compart between the demand for destruction of sholitionism for the destruction of six ery They would do well to remember that slavery ish them wholly and hy once. HARD WORK TO GE A BISHOP

The Episcopal convention, now in section of blahope reserved dootors am. dir momposed of hishops remarche doctors are due to the publication of the list. It is only thoughted by members is a 'most notable as the fraudulent pensioners, or the list was the variable are drawing the pensions of dead persons who congregations, great weath and respect allist, and measure the publication of the list. It is only the publication of the list of the only independent of the publication of the list. It is only the publication of the list. It is only the publication of the list of the only independent of the publication of the list. It is only the publication of the list. It is only the publication of the list. It is only the publication of the list of the only the publication of the publication of the only the only the publication of the publication of the only the only the publication of the publication of the only the only the publication of the publication of the only the only the publication of the publication of the publication of the only the only the publication of the first bushop was ordained. It may be inter sating to go back a handred years and point out the trouble the Episcopalisms had in griting their church started out at findspendent basis In 1785 there lived in London a young distinity sing to the (by no means b-suti of Maryland, but had been studying in England two years in order that he might be orcatted by a hishop of the English shurch, there soing no official of this sharacter in America. It was necessary then for those in America who de sired 'apostolic suscession' to travel 3000 miles to get it , Wesme, of Lourse, was traly is to goe it Momes, of course, was traly holder, and fully persuaded that he could point out the way to heaven unless some hop leid his hand on him. Just chacity and the city of Pertiand also if he had been decided mayor of Boortoboologa as well as the style of Pertiand and also if he had been decided mayor of Boortoboologa as well as to get apostolic bands of some kind i uppn him. It was not a case of capitage and the city of News, however doors with him but the revorse semificat went to go great Lowth, biscopt of solon But Lowit was a more loyal Existent than a churchman. The little unpleasant that a churchman the little unpleasant is of the revolution was over but Awertos as not loved or respected. So this good shop ungraclously refused to lay his lands. not point out the way to heaven unless some how Henry VIII. of blessed but uncertain memory had affected true 'apostolic succes sion. Weems did not inquire—all he winted was to get apostolic bands of some kind Women's first must be the prest Lowth, biscon of

majorty had submitted the quarties to the col-lege of theology, which gave it as an officien WEDNESJA MORNING, OUT 34 1988. architishop of Paris. This would not do for independent America. Franklin then applied to the Papal nuncio, who said he would lay the go through a simple and not very necessary the eighty-eight countries gave majors that it the British lites should sink into the mendants tranging from 12 means another apostolic succession" would have to 287 in Columbians in the witten Baseve Of the countries voting a credit of superior of the amendment, thirty-five were reputs or of the amendment, thirty-five were reputs on at the late election and twelve were demonstrated. To superior the transparent the superior of ties for it were large, while in all on ation countries to the souls of the people of Maryland as atio countries voting for it the major of small. Of the countries voting against countries thirty of warming the state of the people of Virginia." Frankin's ties were small Of the counties voting against some but he says and other the smeadment thirty-three were democratic advice was adopted. The church got a bishop John H Mitchell expressed the popular herior the says are requisitions. All the heavy random and configuration and config and eight were republican. All the heavy grands and after all the troubles above one portion against it were shrown by the dequal merated and can now make them ad the same

AMERICAN URBATNESS

could be performed in Denmark "Hat Danish

Lord Chief Justice Coloridge has shown great made at the banquets and receptions that have "What if the republ chas a great exten colossal fortunes to America did not interest repeat one tax raw, as it produced to do, said in him. It was not Newport with item blockaires favorable circumstances. Ho will prohibitionists say that they will make a fresh and cervants in beary that made the most effort to carry the prohibitory atmondment. They will not coop lost a chance. Such a chance with the same profits the same of the city that made the city that made are satisfactors. have longed to see, but will never see in Eug his sound body he has a sound mind -812 Pg will no swo years onlined saw republicant lave hat bouses all lived in by their owners. I am told decades. It may be said that the years of ma tre before another vote on an trat this possession of homes is very general three manifold have all been spent here. As a These words show a true apprecial on of the prudent man that our condition is a happy one if hopeless poverty dul not prevent the exbase their pretensions on the mere accumula in the great anide of the state. It money bags, and tue spoils of the poor is not nocracy not the aristocracy is the fundation of American greatness. These words are full

hat the "publicat on of the pension list has monght to the pension office only one communication in which persons are mentioned Alcorers informs at that its published list of tioners in Eric county contains the names the list has not yet been 'published' The government has printed a few hundred copies of the list, and seems to be trying to keep them from the public. A few newspapers, ac people had to fight is will be free state people had to fight is will be free the aboltion ists if Liey had remained the aboltion ists if Liey had remained to the aboltion is to if Liey had remained to the constraint? Yet such refusal work only have been equal to the petulance of the pergeness of prohibitionists, who refuse is place any shock upon the ords of the brook results because they cannot able to the brook traffic because they cannot able to such cases as the correspondent of the Buffalo Express refers to, and many other spurious cases To be an honest pansioner is a badge of honor, like mombership in the Grand Army of the Republic and there ought, there fore, to its no delicacy on the part of pension ors to the publication of the list. It is only

The Canadian election laws are so strangent other day for no fault of his own, but because some person who had identified himself with Macdonald's party had been guilty of "bribery and corruption" When a man of so much infinance is presented for parruption it speaks well for the Canadian laws and the manuer in which they are enforced. It would make may ors tremble if the same stringency were exer cised in this country, were it not for the fact that Sir John was elected to represent two dis tinet constituendes-Lennox and Carlton-and that he will still represent the latter county although unsested for Lennox How forte-

men than a churchman The little uppleasant that he is a type of all that is mean, false bishop ungraciously refused to lay his hunds country who does not deserve public confidence Somewhat dumfounled by this exhibition of and one who wished to preach in Air rice and esteem better than Butler. And yet it somewhat dumfounled by this exhibition of added. If by any freak of insanity as demo-Cliristical charity, Weems went next to Walnon bishop of Llandeff Watson was not so graff president we would support him because this naper is democra ic and will always be loval to governor of Maryfand would gain it him the party. That is true organistic journal (Weetes) admission to the vineward of the sum. This newspaper will stand a good chance Lord 'This letter was procured when the good bushop informed Weems that he would dent for Butter save the government belongs taxe to go before the srobbishop. To the each

bishop went Weems and was informed by his reverence that granting true orthodox apostolic religion to America was a matter for parlia mentio determine—that this acquasthody alone could ordin a minister to preach the groupel of Christ without subjecting the applicant to the pain of taking oaths of surcemany and allegiance. In his extremuty Weems now applied to John Adams, she with Franklys and Jeffor san, was a parametric of the grant and the proposed with the crime-producing the proposed with the crime-producing and pauper-making business can be present in the proposed with the crime-producing and pauper-making business can be present for the passage of the high would be the passage of the high particles and passage in the passage of the high passage nt Weems and was informed by his It is stated that un agent has been sent from at doing his would begin if the country of Washington territory.

SENATOR DOLPH

Hon Joseph N Dolph wall leave Portland to-morrow for Washington where upon lege of the closer, which gave it as an emphosis of that the test can could be contribed and that as Americans was not supposed to measing of congress in Doognetic to the Daniel line and knowledge of the Daniel line guage. Latin would be used in the country when the second had not been supposed to the contribution of the con the seesion from to convene As a republican writ on to Franklin 14 Paris shout the mat- Mr Dolph will be in barmony with the national administration, and as his colleague as a dem ter Frankim accordance has to be defined a war, administration, and a man of but commonplace permission to proach in an orthodox war, ocret and too a man of but commonplace. We will practically be the senator from abilities he will practically be the senator from and exalted are always burdensome and Mr be must first become a Catholic. This would not to atther an Exactly the distribution of the atther an Exactly the distribution of the state and in adjusting herself to the new tr et on A hundred questions of national this time on apply directly to us us to the rest of the country, and will engage our so ive interest for or against Herstolore Oregon broader field The circumstances of Mr Dolph's election

are still fresh in the public mind. He was chosen by a legislature which by its rejection of which had sufficiently defined the idea of a man not fit to represent Oregon in the national senate elected him because it believed him publican But on the part of mady who exter tained the highest regard for Mr Dolph as a man Nevertheless, the amendment was not cardor as well as amazing variety and wealth there were serious objectious to him as a senator of intellectual resource, in the speeches he has majority of 14,000 votes outside the herbaltets and removaling that have gent in the government of railroad companie cent celebrations along our northern ine Ter-treorial greatness, he says, does not count for corruntion of a senator was not for corruntion of a senator was not forcetter and Dolub fearing that he too might place private his connections of frie ndship and interest and was haried enthusiastically by the people as the

senator of the people

Mr Dolph will take up the burden of his great duties under difficult and yet 1 nder t was the rural towns and the city a giant. He is in the prime of fine physical to the booking people that he opioteed to manhood and is endowed with his capacity what has filled me with delight what I and habit of persistent hard worlt. And in public servent in one capacity or another as lawver of wide practice of so tally he has heen ir ught inte close uquam ance with th mes can be precuried by dimost any at the despire of the lower classes in the despire of the lower classes in going as a probably not exceed by that of going as a probably not exceed by that of going as a probably not exceed by that of going as a probably not exceed by that of going as a probably not exceed by that of going as a probably not exceed by that of going as a probably not exceed by that of going as a probably not exceed by the control of the any other person. If it shall prove as we be heve it will that Mr Dolph as a senato is the loyal servant f the state his processible to honoral le and an honored one
